Principal's Report

Youth Crew CFA graduation

Yesterday I attended the Youth Crew CFA Graduation Ceremony in Tallangatta. This is a wonderful program in partnership with Mt Beauty and Corryong College. Congratulations to the graduating Year 10 students involved in this 2 year program. I would like to thank Joy Campbell, our school coordinator and the many local CFA volunteers who support this program.

Monday 5th November – Staff Professional Learning Day

On Monday, the staff participated in three sessions on developing our 2019 Annual Implementation Plan. Staff worked in four groups confirming actions and developing outcomes, activities and milestones on the following four Key Improvement Strategies that will form our 2019 Annual Implementation Plan.

Goal 1: To progress student learning for every student, every day.

Key Improvement Strategy Define and embed the Tallangatta Secondary College approach to pedagogical practice.

Goal 2: To empower students through student agency in their learning.

Key Improvement Strategy Embed the Tallangatta Secondary College School Wide Positive Behaviours Program.

Goal 3: Build a culture of continuous improvement.

Key Improvement Strategy Develop and embed the Tallangatta SC agreed moral purpose supported by the school's vision and values.

Key Improvement Strategy To work as a Professional Learning Community to implement processes that support quality planning and decision making aligned to the SSP.

The forth session of the day was focused on School Wide Positive Behaviour (SWPB).

Student Led Conferences

A reminder that the fourth and final Student Led Conferences are scheduled for next Wednesday 14th November between 4 and 7pm. Conferences are with classroom teachers, however Middle Years students are encouraged to make a time with the REAL mentor to discuss 2019 Semester 1 Course selection. Bookings can be made on Compass. Cycle 7 GPA reports will be available online 4pm this Friday 9th November. This will be the last 2018 report for our year 11 students.

Later Years News

YEAR 12

The external exams commenced last week and will conclude on Tuesday, 20th November. A reminder to students that they need to return their laptops to the school following their final examination. Contact Mr Rial if there are any questions in relation to this.

Payment for the graduation should have been paid as final numbers need to be given to the Albury Entertainment Centre. If there are any issues with this, please contact Mrs McKenzie immediately.

YEAR 11

A reminder that the exams commence next week.

Tallangatta Secondary College is committed to the safety and wellbeing of all children and young people. This is the primary focus of our care and decision making. Tallangatta Secondary College has zero tolerance for child abuse.

Information is available on Compass and students have been given a letter with information and the timetable. Headstart will commence on Monday, 19th November and it is important that students confirm their subject selections prior to this so that they can have the best possible start to their 2019 program. Please see Mr Williamson or Mrs McKenzie if there are any concerns or questions. Students have been given information on the books required for next year and have the opportunity to buy these second hand. They can negotiate this with individual students or go through the school to purchase these.

YEAR 10

A reminder of the arrangements for the coming weeks. Year 10 students completing a VCE Unit 2 subject will sit their exams in the week commencing 12th November. Students should have received the timetable, but a copy can also be found on Compass. Unit 2 classes will not run during this week, however, students are expected to attend their Level 2 classes as normal. The Level 2 exams will run during class time in the week commencing 26th November followed by a week of Headstart commencing on Monday 3rd December. Please speak to Mr Neville or Mrs McKenzie with any questions regarding these arrangements.

Congratulations to our CFA Youth Crew graduating students who were involved in their final day this week. We had five students' complete applications for the Kwong Lee Dow scholarship with the University of Melbourne. This was a detailed process and students will know the outcomes by mid November. Well done to these students who took the time to apply and we wish them good luck.

Middle Years Report

Year 6 Transition

Next week we will commence the first of our feeder primary school visits. This will involve members of the Middle Years Team attending the Primary Schools

Current Year 12 Reminder

All year 12 students if you are wanting the College to sell your textbooks please drop them into the college **ASAP**

First in best dress basis books that are dropped off first will have a better opportunity of being sold.

where our new students are currently enrolled. Meeting with their teachers and gathering information and data around the students is vital when understanding the learning and social needs of our students. As a team we work hard to learn as much as possible about our new students, in order for their transition to be as smooth as possible. If as a parent of a Year 7 student in 2019, you would like to discuss your child's academic and social requirements, then please do not hesitate to contact the Team in the Middle Years Office.

Sharon Allsop

REQUEST

Tarli and Taya are upcycling a wheelbarrow as an assessment task for class. As part of the requirements of the task Tarli and Taya need to source items rather than purchase them as it is all about making use of what is discarded or recycled.

If you have succulents students could plant out in their wheelbarrow could you please send them into school – drop off at the staff room to Mrs Burrows please.

Thanks in advance for supporting student learning endeavours.

You're invited to play in the....
