Principal's Report

Lions Youth of the Year

Well done to the nominated students Jake Maddock, Casey Boyd, Matilda Fraser and Tom Poulton. All students spoke and interviewed extremely well. Congratulations to Jake Maddock who was awarded this prestigious title, as well as the Public speaking category. Thank you to the Kiewa / Tangambalanga Lions Club and National Australia Bank for sponsoring this award.

Headstart

This week our Year 11 students made a headstart into Year 12. I have been very impressed with the student's positive attitude to the program. Thank you to the teachers involved for their preparation and organisation. The year 12 headstart program finishes on Friday 30th November.

School Council & Finance Meeting

Last night, we will held our last school council and finance meetings for the 2018 school year. Our current council will have their last meeting in February before our newly elected council meets for their first time in March 2019. I take this opportunity to thank all school councillors for their commitment and support this year.

Assistant Principal's Report

REAL Home Group

This week the students have been exploring sustainability issues through activities during sustainability week. Students participated in a quiz, learnt about issues

surrounding sustainability and got an opportunity to sort through recyclables.

Over the next 3 weeks, all students will be involved in a community project called the Tallangatta Children's Fair. The students will have the opportunity to brainstorm ideas to create their own stalls for primary school students to participate. These could range from play dough to sports activities to face painting (for example). Students will be working in small groups during REAL Home Group over the coming weeks so be aware if your child is asking for assistance. The fair will be held on Friday 14th December 9am to 3pm at the Tallangatta Sports Complex and all parents/children are welcome to attend.

Later Years News

YEAR 10

Level 2 exams for semester subjects will be held next week. The following week will be Headstart for VCE Unit 1 subjects and Year 10's finish on Friday, 7th December. Students need to speak to Mr Neville or Mrs McKenzie if they have any questions regarding these arrangements. Some students have been involved in the Unit 3 Headstart program this week in preparation for next year. We are aware that this has created some clashes with other classes for some students, but teachers are working with these students to ensure their subjects are affected as little as possible. Please contact Mr Neville,

Mrs McKenzie, or the subject teachers if there are any concerns with the arrangements.

YEAR 11

Students have been introduced to their Year 12 subjects this week through the Headstart program. We encourage students to talk to their subject teachers and Mrs McKenzie or Mr Williamson with any concerns in relation to their chosen subjects. Mrs Turner again spoke to students on Monday about purchasing books for next year. Please contact Mrs Turner with any questions. The Headstart program will continue next week and students will finish on Friday, 30th November. Well done to our captains who participated in the Lions Youth of the Year evening on Monday night and a big thank you to the Lions Club members for again organising this very worthwhile community event. Interviews for house captains are currently being held and these positions will be announced by the end of next week. Well done to all those students who have applied for the positions and participated in the interview selection process.

YEAR 12

The external exams have concluded for our Year 12 students. A big thank you to Mr Ramsdale for his assistance with the organisation of the venues for the exams and to the supervisors, Heather Morgan, Patsy Kirk and Jane Lowcock. Our Graduation evening will be held on Friday at the Albury Entertainment Centre. A reminder to all students that they need to be at the venue by 6.00pm for the group photography and we ask all guests to be seated by 6.30pm. The evening should conclude by 10.30pm.

Middle Years Report

Assessment Tasks

The next couple of weeks will be very busy with students being required to submit assessment tasks and undertake end of unit exams and tests. Students are encouraged to work hard to meet deadlines and aim high to ensure submissions are to the highest standard possible. Teachers will communicate any incomplete assessment tasks via compass with these incidents visible for both students and parents to read. If there are circumstances where your child has been unable to meet the required assessment task then please communicate this with the teacher.

Project Learning

Our project learning students are busy arranging fund-raising activities for a variety of school improvement projects – including new sporting wear. Students are working hard to plan, market and implement their events over the next two weeks.

Not just a number

Students in BE123 Not just a number ran small businesses at lunchtime this week.
