Over three days in the last two weeks the shopping centre of Towong Street was swarming with large machines and groups of very purposeful workers as they tackled the huge task of “rolling up” the overhead power cables and performing very precise “dentist like” extractions of some 13 redundant power poles. It was an interesting process that involved loosening the soil around the poles with compressed air while a giant “vacuum cleaner” sucked up the dislodged soil that was later returned to the 2.5m. deep hole, left after a giant crane performed the final extraction. The crane then carefully lowered the pole onto a special trailer for transport out of the area.

All power lines in the shopping centre are now underground and a much more attractive view of the main street is the long awaited result.
**Author Talk**

It’s an art to keep this unpredictable

Rosalie Ham is a well-known author with four books published, including her sensational bestseller The Dressmaker, which is now an award-winning film. Rosalie Ham came to Tallangatta for an Author Talk on Friday 10th May, which brought enjoyment to the 26 community members who attended. Rosalie was born and raised in a small country town and now holds a Master of Arts in Creative Writing and teaches literature.

Rosalie Ham’s reason to start writing may be different from other writers, but has proven that anything could happen when you’re bored and have nothing to do. A small idea can grow into a 10,000 words plus story in just three weeks when you put your mind to it. Like Rosalie did when she went to Writing School. She had no idea what she was doing but she knew what to write about. Which created her first book, The Dressmaker in 2000.

During the Author talk Rosalie spoke about her many books, The Dressmaker, Summer of Mount Hope, There Should Be More Dancing and Year of the Farmer. What inspired her to write Summer of Mount Hope, after a writer’s block, was the letters her grandpa sent to her friends and family.

Curry and Sandy!

Rotarian Mick reported that the “Curry Night” Clubs event at the Lowry residence netted $260 that he and Joy were donating to the “Sandy the Warhorse” project. His suggestion that the Club extend the reins of office to his successor, David Larkman.

Anglican Activity

Recent Events

“Under the Lamplight” on May 17, was a great fun night. The Parish Hall was aglow with the soft light of antique oil lamps on each table and standing about the Hall. A delicious menu was on offer with music from the “lamplight” era in the background. The ever popular Peter Croucher persuaded us to reveal our age by demonstrating that we knew the lyrics and could sing along to some old favourites as well as hosting a couple of musical quizzes and treating us to some hilarious “alternative” verses from a couple of numbers.

Cudgewa Church Rededication

A number of our members joined with the Corryong Parish on May 19 to celebrate the rededication of the church at Cudgewa which has been undergoing extensive refurbishment in recent years.

The service was jointly conducted by Diocesan Administrator, Archdeacon Clarence Bester, Fr Alan Kelb and Rev. Mitch Porter. The service was followed by a most enjoyable lunch in the Cudgewa Hall

Community Markets

The Market for May has happened. There is now a break for a couple of months in the cold weather – watch this space.

Fifth Sunday Service

Our next fifth Sunday service will be in Tallangatta on June 30, when we welcome Yackandandah Parish to join with us, followed by lunch together.

Old Time Dances to Cease

Sadly we have to report that, after close to 42 years of monthly merriment, our final dance will take place on Saturday, June 1st. We will report on this farewell edition in the next issue.

Tallangatta & District Seniors’ Club News

This seniors Biggest Morning Tea was attended very well by a lot of people willing to help with the cancer research funding.

Our thanks go to all who attended for their generous bidding, and with raffle ticket sales we raised $956.00 towards the cancer appeal. Also thanks to all who donated their goods for auction and the morning tea food produced by many.

Thank you to all who helped with the setting up and help on the day with the auctions, raffles, kitchen duties, etc and returning our rooms back to their original setup later in the day.

We also had the draw of our Mothers’ Day Raffle and the winners were:

1st prize - A watch Paton
2nd prize - Handbag Betty Wright
3rd prize - Box of chocolates C. Livingston

Congratulations to all the winners and thank you all for purchasing the tickets.

Our Friday Music mornings have been suspended until the spring so keep your eye out for more information in the future.

Just a reminder that our soup lunch and movie afternoon is on Friday June 21st at 12 noon. We hope to see you all come along and bring a friend. It is lovely and warm in our club rooms.

Keep a watch on our window for events.

Our next meeting is on Tuesday the 7th June at 1.45pm.

Small Change Makes a Big Difference

Karen Reid

Thank you to everyone who purchased a ticket in our recent raffle. The wheelbarrow with all the goodies inside. The monster prize was on display in Cavanagh’s Butchery for all to see. Tickets sellers were out on many days selling at Ciccones IGA and Crisp’s Newsagency. We even had a final ticket rush on Election Day out the front of the Memorial Hall. A total of over $1100 was raised! WELL DONE.

The lucky winning ticket was purchased by Bob and Lesley Keen from Hindleton. Congratulations - we know the wheelbarrow will come in very handy and the BBQ will be flat out cooking from the meat voucher. The large variety of goodies will also be a delight. Our grateful thanks go to Vince at Ciccones IGA (Tallangatta), Greg at Cavanagh’s Butchery (Tallangatta) and Paul & Erica (P&D Installations) for their generous donations and support. Thank you (Louise) and all the committee members who sold raffle tickets and donated gorgeous items.

Sandy the War Horse Memorial Committee are receiving fabulous support from the community and we thank you. Your small change is making a big difference. Every dollar is getting us a step closer to our end goal. Our MISSION is to install a life size bronze statue of Sandy the War Horse in Tallangatta and we are definitely on our way. The project is up and running and creating a ground swell of interest and funds.

Over the last few weeks the committee members have been out and about with the project. Attending the Tallangatta April markets (thank you Craig), the Tallangatta Farm Expo (thank you Bryan, David and Karen), the ANZAC Day Service at Tallangatta and placed a wreath (thank you Ross and Karen), supporting the inaugural Victorian Working Equitation State Championships and the Annual Working Equitation North East Victoria Inc Club Championships in Wangaratta (thank you Trish).

Sandy the War Horse Memorial Committee is now Incorporated and we are looking into being registered to receive larger taxable donations.

The Hub Cottage Craft shop continues to play a major role in the project. The volunteer ladies are informing locals and tourists about the “Sandy” story on a daily basis. The collection box is constantly receiving donations and the “Sandy” Coffee Mugs are a popular sell at $15 with all funds going directly towards the cause.

Please support this wonderful people’s project, be a part of the fundraising team. There are many ways you can help. Visit the “gofundmesandythewarhorsememorial” page or our facebook fundraiser page, which is gaining strong interest. Or donate direct into the allocated bank account BSB 633 000 Acc 165744871.

Our Saturday Craft sees a regular group of ladies who meet, craft and chat. Great social time. Why not come and join them?

One such successful event was recently held by Joy Lowry. We heard that Queen Elizabeth Drive was the place to be on Curry Night. Delightful dishes from mild to super hot were on offer. Beef, Chicken, Pork, Fish (caught by Manny) and even Goat meat was on the menu. Joy even prepared the curry paste from scratch and learnt the technique from Thailand. Being a cook in the Navy many years ago certainly prepared Joy to cater for 26 meals. When asked how much does it cost – Joy’s reply was “I don’t charge for friends to come around for dinner but make a donation to the Sandy project instead”. Joy was happy to donate all money from the night, as she wanted to give back to the community that welcomed her and husband Michael many years ago.

Most of the dinner guests were members of the Tallangatta Rotary Club. So the club decided to match Joy’s fundraising efforts, making it a very successful night, with a total of $500 donated to the Sandy the War Horse Memorial. Thank you, Joy and Rotary members for this wonderful gesture.

Sandy the War horse Project is going from strength to strength and we are all very excited by the progress. Once again THANK YOU to everyone for getting actively involved, we greatly appreciate your support.

Tallangatta Herald - May 30th, 2019, Page 4
Rate rises steady for 2019/20

COUNCIL’S Proposed Budget for the 2019/20 Financial Year is now available for public feedback.

The Budget includes funding for major projects in Corryong (Fixing Country Roads works at Hanson Street) and Colac Colac (Building Better Regions Fund upgrades at the Caravan Park) which will be delivered in 2019/20.

Mayor David Wortmann said Council has worked hard to minimise increases to rates and charges, to avoid putting ratepayers under further pressure.

“Council has had approval from the Essential Services Commission (ESC) for a higher rate cap of 5.55%, in acknowledgement of the financial challenges faced by our Council,” he said.

“Securing additional State and Federal Government funding as well as reducing operational costs means Council is able to accommodate a lower rate increase of 4.80% for a second consecutive year.”

The costs of maintaining the Shire’s large infrastructure network make up a significant proportion of our expenditure, with 77% of Council funds spent on capital works, roads and drainage.

The standard kerbside waste collection service charge will increase by $9 to accommodate increased costs of delivering the service, but the waste management charge will remain the same.

What’s in the Proposed Budget for 2019/20
• Improvements to Hanson Street, Corryong as part of the Regional Roads Victoria Fixing Country Roads Program
• Construction of the Upper Murray Events Centre
• Amenity and playground upgrade at the Colac Colac Caravan Park
• Installation of a shade structure at Attree Centre, Corryong
• Upgrading the Cudgewa Netball Courts
• Rejuvenation of the Tallangatta Triangles including the installation of a bus shelter
• Sealing of a section of Wises Creek Road, Tallangatta
• Widening and realigning of part of Hardys Road, Tallangatta
• Completion of the Eskdale and Bethanga Fixing Country Roads projects

More detailed information can be found in the full 2019-20 Proposed Budget available online or at Council offices in Corryong and Tallangatta.

Community members are encouraged to review and provide feedback on the proposed 2019/20 Budget by close of business on Monday 10 June 2019.

Information on how to provide feedback is available on the Council website.

Social enterprise ‘ignites good’ in North East Victoria

When was the last time you took a family holiday? Does camping with children just seem like hard work? What if your next holiday was comfortable, relaxing and pays-it-forward for a family in need to take a break.

The Rustic Bus is a social enterprise start-up that will give vulnerable families and visitors to the North East Victoria holidays to tell their friends about. Using a converted school bus they will provide holidays to tell their friends about. Using a converted school bus they will provide holidays to tell their friends about. Using a converted school bus they will provide holidays to tell their friends about. Using a converted school bus they will provide holidays to tell their friends about.

According to the 2016 census divorce rates in North East Victoria have increased to 9.8% and separations have increased to 3.5%. There are 2078 single parent families with children under the age of 15 years and/or dependent students and the average individual income is $47,692 per year. Many refugees moving to the Albury/Wodonga area are single women with dependent children. Do the maths. How many of them really need a break?

The founder, Rachael Gadd was raised on a rural property in the beautiful Upper Murray Region. She has recently won a video pitch fest through Towong Shire Council’s Think Start Grow program and is now part of a business acceleration program facilitated by the Australian Centre for Rural Entrepreneurship, ACRE. She wants to use this opportunity to help disadvantaged and vulnerable local families. To celebrate she is hosting the Rustic Bus Gathering on Sunday 2nd June from 4 – 7 PM at the Nicola Teek Building, Banool Rd, Tallangatta where there will be free food, a Q & A session on crowd funding and bus themed activities. Entry is free and bookings are required so she know how much food to bring.

Rachael has also been successful in raising the first $5,000 to fund The Rustic Bus through the Ignite Good crowdfunding competition sponsored by Tourism Holdings Limited and Start Some Good. But, there’s a catch! This funding will only be granted if the remaining $15,000 can be raised through a Start Some Good crowd funding campaign. This is an all or nothing campaign. If she doesn’t reach the target the pledges will be returned and the $5,000 is gone too.

Start Some Good Crowd funding campaigns give people the opportunity to help a vulnerable family.

Check out the campaign page for more details www.startsomegood.com/ therusticbus between Thursday May 30th 2019 and ends on Sunday June 30th 2019 to pre-purchase your Rustic Bus holiday and access other great rewards in return for your pledge. Tallangatta transformed with removal of overhead powerlines

The Tallangatta skyline is looking different now that overhead powerlines in Towong Street and Banool Street have been removed.

This change is part of the long-term improvements under the Destination Tallangatta project. The works involved AusNet working with Towong Street businesses and residences to connect new underground electrical mains so that the overhead powerlines could be retired.

Mayor David Wortmann said Council is really pleased with the outcome.

“Removing those overhead powerlines has had quite a big impact on Towong Street and The Triangles,” he said.

The changes come as Council announces the Proposed Budget for 2019/20 which includes further Destination Tallangatta works.

Councillor Wortmann said Council is looking forward to the next stages.

“The rejuvenation of The Triangles and improvements to shop fronts are planned for next year and will have the main street looking fantastic,” he said.

The 2019/20 Proposed Budget and a summary of projects planned for Tallangatta is available on the Council website and open for public feedback until Monday June 10 2019.

Slovakian Cooking Day

The cultural cooking day spotlight this month is on Slovakia which is a relatively small mountainous country surrounded by five other countries: Austria, Czech Republic, Poland, Ukraine and Hungary. Its capital is Bratislava with a population of 425,000 and it is only 55 kilometres from Vienna. Slovakia has a population of 5.4 million and it is about two thirds the size of Tasmania.

It is known for its nine national parks, fourteen protected areas, six thousand caves, many mineral springs and 180 castles. Almost two thirds of the people are Roman Catholic and it was proclaimed a republic in 1993.

Our presenter for this month is Vojtech (Voy-check) Gocky. He is also known locally as Gocky because some Australians have problems pronouncing Vojtech. He was born in Bratislava and he remembers as a boy picking apples and swimming in summer and skiing in winter. His family was Lydia, his mother, his father, also Vojtech, two older sisters and a younger brother.

He began school at age six and completed the compulsory eleven years after which he studied for three years at a school for mechanics and spent a further three years in banking. He learned to play the guitar at a young age and he often played on holidays and at weddings and with a theatre company.

In 1961 he began his compulsory two year military training which included three months training in Russia. He was married in 1963 in Bratislava and they came to Australia in 1995. They have two sons and four grandchildren who all live in Melbourne.

After arriving in Melbourne they stayed with their son for a time before moving to Alexandra where they rented a house. Very sadly, his wife died two years ago. Last year Vojtech decided to buy a house in Tallangatta. He lives in a quiet street with good neighbours and it is a happy house.

One thing he misses from life in Slovakia is snow. He was a keen skier and he was hoping it might snow in Tallangatta but I feel he would need to be very lucky indeed to see it here.

In his spare time he loves fishing, reading (to improve his English) and listening to music – light music is his favourite.

Vojtech has a number of fish recipes, including soup, and he enjoys catching and eating carp which he finds in deep holes in our rapidly emptying lake. He also enjoys recipes made with lamb or chicken.

The dishes he chose for the cooking class were pork belly with dumplings and red cabbage. A creamy garlic soup was also on the menu. We enjoyed seeing some of Vojtech’s photos including several of him playing the guitar with his band.

When you meet Vojtech don’t forget to say hello, which is Ahoj (Ar-hoy).

The next multi-cultural morning will be on Wednesday, 12th June and the presenter will be from Brazil.

Mitta Mitta Primary School

Mitta Mitta Zoo to You

On a wet Friday we were joined by the students from Eskdale Primary and the Mitta Mitta Childcare for a “Zoo comes to you” visit. All the students got the chance to see the animals up close and learn something about them. To keep the sessions small so everyone had a chance to see and touch the animals, we ran three simultaneous sessions in a rotation. When the students where not with the animals they were learning about being a “River Detective” and identifying aquatic invertebrates or they were scouring the Magorra Park golf course on a treasure hunt.

Students at Mitta Mitta have been river detectives for more than 18 months now and it was great to see them sharing their knowledge of water bugs and water sampling with the other students.

Special Visitors Morning Tea

We had two special visitors to our school for morning tea. Two former students dropped in for a chat about their memories of the school in the 1930s.

Lena Nelson (Hodgkin) started at Mitta Mitta Primary school in 1934. Flora Sebastian (Scales) started at Mitta Mitta Primary school in 1932.

Both ladies answered student’s questions about the school and life in that era. The students were fascinated to hear about riding to school on horseback and missing school due to rain and floods. Flora and Lena gave us an example of writing in script and spoke of learning to write on slates and using ink pens dipped in the ink wells in their desks.

The students had made scones and we had morning tea as we listened to stories about different teachers, the liked and not so liked. We heard that the school was very cold in winter with just a fireplace in each classroom that only just managed to heat the area close to it. Lena told us a story of climbing out of a window, in what is now the library, to escape a detention where she was locked in the school alone at the tender age of eight.

Flora has three family members currently attending the school which represents six generations of continuous attendance at the school. Both Lena and Flora fondly remembered swimming in the “school pool” in the Mitta Mitta River at the back of the school on Friday afternoons. They also reminisced about the sports days held between all the schools in the valley, of which only Mitta Mitta and Eskdale remain.

Mothers’ Day Afternoon Tea

On Monday the 13th of May, St. Michael’s opened our doors for another amazing event, celebrating all the women in our lives. Our students from Foundation to Grade 6 prepared a healthy afternoon tea for our visitors. It was very heartwarming to see so many visitors to our school and the children were delighted to share their learning environment with everyone. Thank you for everyone who came along and filled our hearts with happiness! The feedback from the event has been affirming for all staff and students. If you would like to give us some valuable feedback, head to class dojo or our facebook page. We are always looking for ways to improve, so let us know what worked and what we could do better.

St Vincent De Paul

Winter Appeal

This year St. Michael’s is supporting the Winter Appeal by running a canned food drive. In our foyer we will have a shopping trolley for you to donate your non-perishable items into. These can be ready-to-eat canned fruits, vegetables, dry cereal or granola and dried fruit; these are just some items, there are many others you could add. We only ask that these are in date for others in our community to use. If you would like to help support us to support others in need, please drop your donations to the office.

Sacramental Program

- Reconciliation

St. Michael’s is currently seeking interest from any children wishing to take part in the Sacrament of Reconciliation. We are inviting any children who are baptised and who wish to complete the sacrament to let us know if they would like to participate. Preparation for this Sacrament will take place in the lead up to our Mass, which will be held on Wednesday the 26th of June, 2019. Children in Grade 6 who have previously completed Sacrament of Reconciliation are welcome to join in as well.

Please contact Amy at St. Michael’s on (02) 6071 2386 if you would like your child to join us.

So we say, get out there! Have a go! If you make a mistake, brilliant. We celebrate that at St Michael’s because we know that’s how we learn.

Mistakes are proof that you are trying.

We all trip and we all fall. Why? So we can get back up, learn and become better versions of ourselves.

Our next PBIS focus is based all around the mishaps that happen in our learning and at school. “Mistakes are proof that you are trying.”

We want the students at St Michael’s to understand that mistakes are part of the learning process and without mistakes we can’t learn. Real teaching happens when errors occur and we can unpack why, and where we can improve.

As part of our culture we want to encourage our students to take risks with their learning and feel free to make mistakes.

After all, after we FAIL, we learn. The learning climate is optimal when students holistically know that making mistakes is natural and is the best avenue to have the most growth.

So we say, get out there! Have a go! If you make a mistake, brilliant. We celebrate that at St Michael’s because we know that’s how we learn.

Grade 3/4

Mrs. Amy Bilston

The next event our school will be looking at will be National Reconciliation Week. This runs from 27th May - 3rd June.

Reconciliation is about strengthening relationships between Aboriginal and Torres Strait Islander peoples and non-Indigenous peoples, for the benefit of all Australians. While reconciliation can mean different things to different people, the State of Reconciliation in Australia report (2016) identified five integral and interrelated dimensions to measure reconciliation by: historical acceptance; race relations; equality and equity; institutional integrity; and unity. All are interrelated, therefore the state of reconciliation in Australia will only ever be as strong as its weakest dimension.

This year’s National Reconciliation Week (NRW) theme, which focused on historical acceptance, we’re encouraging all Australians to build relationships that are based on that foundation.

NRW is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia. The dates for NRW mark two significant milestones in the reconciliation journey— the successful 1967 referendum, which gave the Australian Government the power to make laws for Aboriginal and Torres Strait Islander peoples and to include them in the Census; and the High Court Mabo decision, which saw the concept of Terra Nullius overturned.

most growth.

So we say, get out there! Have a go! If you make a mistake, brilliant. We celebrate that at St Michael’s because we know that’s how we learn.

Mistakes are proof that you are trying.

We all trip and we all fall. Why? So we can get back up, learn and become better versions of ourselves.

Our next PBIS focus is based all around the mishaps that happen in our learning and at school. “Mistakes are proof that you are trying.”

We want the students at St Michael’s to understand that mistakes are part of the learning process and without mistakes we can’t learn. Real teaching happens when errors occur and we can unpack why, and where we can improve.

As part of our culture we want to encourage our students to take risks with their learning and feel free to make mistakes.

After all, after we FAIL, we learn. The learning climate is optimal when students holistically know that making mistakes is natural and is the best avenue to have the most growth.

So we say, get out there! Have a go! If you make a mistake, brilliant. We celebrate that at St Michael’s because we know that’s how we learn.

Mistakes are proof that you are trying.

Mrs. Amy Bilston

The next event our school will be looking at will be National Reconciliation Week. This runs from 27th May - 3rd June.

Reconciliation is about strengthening relationships between Aboriginal and Torres Strait Islander peoples and non-Indigenous peoples, for the benefit of all Australians. While reconciliation can mean different things to different people, the State of Reconciliation in Australia report (2016) identified five integral and interrelated dimensions to measure reconciliation by: historical acceptance; race relations; equality and equity; institutional integrity; and unity. All are interrelated, therefore the state of reconciliation in Australia will only ever be as strong as its weakest dimension.

This year’s National Reconciliation Week (NRW) theme, which focused on historical acceptance, we’re encouraging all Australians to build relationships that are based on that foundation.

NRW is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia. The dates for NRW mark two significant milestones in the reconciliation journey— the successful 1967 referendum, which gave the Australian Government the power to make laws for Aboriginal and Torres Strait Islander peoples and to include them in the Census; and the High Court Mabo decision, which saw the concept of Terra Nullius overturned.

St. Michael’s is currently seeking interest from any children wishing to take part in the Sacrament of Reconciliation. We are inviting any children who are baptised and who wish to complete the sacrament to let us know if they would like to participate. Preparation for this Sacrament will take place in the lead up to our Mass, which will be held on Wednesday the 26th of June, 2019. Children in Grade 6 who have previously completed Sacrament of Reconciliation are welcome to join in as well.

Please contact Amy at St. Michael’s on (02) 6071 2386 if you would like your child to join us.

Wild Life Experience

The children had a fabulous time at Mitta learning all about the different animals and their needs. It was a really informative session. Not even the cold and wet weather could dampen their spirits. As well as the wildlife show they did some river detecting - looking for bugs and insects and working out if the water was healthy or not - and a scavenger hunt around the golf course. Thanks to Mitta school for organising the day.

Tallangatta Health Service News

Café Conversations

The Tallangatta and Surrounds Family Violence Committee, supported by Facilitator and Project Lead Cathy Wallace from Tallangatta Health Service, invited Women's Health and Support & Counselling to the event and thanked them for taking the time to come and learn more about Family Violence, putting forward the message “Family Violence is a health issue and our Family Violence committee is supporting our community to improve people’s health and wellbeing”.

A wide variety of community members attended, with representatives from Towong Shire, Victoria Police, Tallangatta Secondary College and members of our Student Leadership Team, Tallangatta Health Service and Primary Care Partnership. Local volunteers from the Tallangatta Bowls Club also supported the event. The Guest Facilitators from Wangaratta reported that the number of attendees throughout the afternoon was around 28 in total.

Tallangatta Bowls Club presented their venue fabulously with café tables and table cloths with a wonderful afternoon tea. A big thanks for their wonderful hospitality.

Guard Yourself against Influenza

An influenza vaccination can help protect you from contracting Influenza – a respiratory illness that can lead to serious health complications and in some cases death. The best way to protect your family from influenza is to be immunized. Doing this may also help to reduce the spread of the virus in the community. Also, it’s important to make sure your vulnerable loved ones are immunised to protect them from influenza related complications.

Influenza vaccinations are available now at the Tallangatta Medical Centre. We are offering appointments 5 days a week from Monday to Friday. Please call and arrange a time that is convenient, although be prepared that available appointments may be a week or so ahead.

Who is eligible for a free vaccine?

The influenza vaccines are FREE to:

• All children aged 6 months to five years and under
• People aged 5 years and over who have a medical risk factor that increases their risk of complications from influenza
• People who have a chronic disease

Main season has finished and would like to thank all our sponsors for a successful year at the club. AGM & presentation nights have taken place with some new faces winning awards and new faces on the committee. This should bring new ideas and hopefully more success on the greens.

Affter the hard summer the course is starting to look the goods. Recently it has had a spray. Thanks to Barney Brown for spraying the course. He does this for nothing, so big thanks Barney.

Recently the club has done a bit of travelling so not many events at home.

Monthly Medal for April (Stableford event) was won by Rowdy with a very impressive score of 39pts. And Monthly Medal for May (PAR event) was won by Andrew Jemmeson with a less impressive score of -3. Monthly medals are sponsored by the Tallangatta Hotel.

The club again would like to thank their sponsors. Coming events 2/6 - Hayden Hillas 4bbb par. 9/6 - Monthly medal stroke. 16/6 Tallangatta tournament stroke.
**NETBALL**

Round 6
Tallangatta vs Dederang Mt Beauty

It was a cold early start in Mt Beauty. All the girls tried their best and did what we asked of them. They all competed for the ball and got in front of their players all game.

**Awards:**
- Olivia, Jade & Sophie.

Round 5
Tallangatta 38 Dederang Mt Beauty 49

We ended up finishing 40 goals ahead of the opposition coach was more than happy to run you through it, please see later edition for the upcoming "Cleaver: The Legend Continues" tour...a must on your calendar. On a more serious note the scoreboard certainly didn’t reflect the endeavour of the boys. We’ve had a couple of really hard battles but at no stage have the boys laid down. Dave Avery’s injury isn’t as bad as we first thought and have plenty of action as Loner’s pointed out in plenty of fun was had by all that lot of fun was had by all that everyone and to their credit they fought it out till the end.

**Best Players:**

**Goals:**
- D.Avery, C.Jones, J.Forrest.

**SENIORS:**
- Coming up against top side Thuringowa with a lot of players still unavailable saw us soundly beaten, but to their credit the players gave their all. Hopefully we will get back on the winning track with Rutherglen today. Sam Cannon came of age against Thuringowa and did a stellar job on the experienced Matt Fowler, having Rhett Thomson back in the side helping Joel get it away from Scott Spencer’s hit outs in the centre was great. Andrew Wood just keeps us going forward with his dash from the backline and Brad Stagg gave his best game along with Harry Forelli.

The happy Parsons, Rhett Thomson 2, Joel O’Connell 2, Scott Spencer 1.

**Best:**
- S. Cannon, Rhett Thomson, Brad Stagg, Joel O’Connell, Harry Forelli, Andrew Wood.

If anyone would like to take over the job of sending in notes for the Record and putting same in the Tallangatta Herald fortnightly please let Jane know.

**Round 5**
Tallangatta vs Rutherglen

A lot of fun was had by all that went inside to the Ladies Day function thanks to all that did come and donate prizes and food. Major prize winners were, Anne Smith, Laura Brain, Louise Thomson, Trish Maddock and Jane Riddington with lots of other lucky number prize winners.

Next home game May 25th is Black & White Day celebrating Tallangatta’s Black and White era wearing the striped B & W jumper.

**Best Players:**
- Nick Paton, Will Paton (Cavers Award), Cooper Ried (Tallangatakeaway), Brodie Wheeler (Urban Graze), Hudson Prichard (Uncle Matt’s award), Lachie Martin. (Hot Chocolate), Ty Murray.

**Sponsors Awards:**
- Connor McKimmie (Canteen Award), Sebastian Alessi & Jaxon Sharpe (White’s Rural Awards).

A big thank you to our Award Sponsors.

**Goals:**
- Hudson Prichard 4, Cooper Ried 3, 1 each to Will Paton, Lucas Nussler, Nick Paton & Lachlan Martin.

**UNDER 14s:**
- A very scrappy first half our Chooks knew they were playing a tight game. After the break we went into top gear kicking 9 goals to 1 to bust open the game, they kept the good work in the last to register a good win.

**Best Players:**
- Ryan Norman, Rory Elliott, Mitchell McLean, Riley Saxton, Darcy McKimmie, Dylan Wheeler.

**Goals:**
- Ned Quinn 3, Darcy McKimmie 3, 1 each to Riley Saxton, Luke McDonald, Sam Harrison, Syd Edwards and Blake Attree.

**RESERVES:**
- It was a hard battle out on the turf from start to finish. One to just draw a line under and move on. The backline had plenty of action as Loner’s pointed out in his end of game address. A hard slog by

**UNDERS:**
- Emily Kimball, Annie Shirley and Renee Salmon.

**Football**

Round 4
Tallangatta vs Thuringowa

Playing Thuringowa last week we improved with 2 out of 4 teams winning, well done to the Thirds and Fours. Reserves and Seniors had a tough day, but gave it their all against a strong opposition.

**UNDER 14s:**
- The boys pulled together for a great win against an in form Thuringowa. The backline forced some excellent turnovers and the midfield helped at every opportunity, forwards proved their worth with cool and calm Hudson Prichard bagging 4 goals. Well done boys and thanks Thuringowa for hosting a great day.

**Best Players:**
- Nick Paton, Will Paton (Cavers Award), Cooper Ried (Tallangatakeaway), Brodie Wheeler (Urban Graze), Hudson Prichard (Uncle Matt’s award), Lachie Martin. (Hot Chocolate), Ty Murray.

**Sponsors Awards:**

Tallangatta 32 Dederang Mt Beauty 22

A flying first quarter proved to be the difference and saw the girls come away with a win. Katie Mason was a presence in the goal circle all game, as well as providing a contest for rebounds, while Maddi Mason ran hard all game and was pivotal in causing turn overs for the attackers to take advantage of.

Dustin Fletcher visits Tallangatta Football Netball Club

Above: Under 14’s, John Maddock, Dustin Fletcher, Suzie and Tania from Jacobs Toyota.

ON WEDNESDAY night 15th May TFNC had an evening with Dustin Fletcher (ex Essendon legend). He assisted with Under 14’s & 17’s training and also gave the senior group a lot of help and instructions. We would like to thank Suzie & Tania from Jacob’s Toyoy for helping to make this night possible and Raelene and staff for organizing it. Dustin also spoke inside for over an hour entertaining everyone with some interesting insights to his AFL career from his first game rucking against Simon Madden to winning money kicking a football over the Yarra and buying his first car with the winnings.

Dustin was very supportive and generous with his time spent with young and old alike, talking and giving photo opportunities with fans.

He especially raved about the yummy roast lamb and gravy rolls made with our local produce by Sharlene, who gave up her time to cook on her birthday! Thanks Sharlene!

Best Players: Cooper Ried (Canteen Award) Jonti McColl (Uncle Matt’s award), Nick Paton, Connor McKimmie (Hot Chocolate) Isaac Norman, Ryan Lord (Crackers Award).

Sponsors Awards: (Urban Graze), Lucas Nusser (Tallangatta Takeaway), Max Akin, (Heinrich Bakery) Tim Smith. A big thank you to our generous sponsors

Goals: Isaac Succling 2, 1 each to Hudson Prichard, Tim Smith, Nick Paton.

UNDER 17s:
The guys hit the ground running with an 8 goal first quarter. It got a bit scrappy at times, but came away with a big win.

Best Players: Ned Quinn, Travis Bandy, Mitch McLean, Paddy Quinn, Mitch McMullan, Tyler Sexton.

RESERVES:
Great performance by Turbo Thomas Bussau who was amongst it all day. Cleaver didn’t disappoint his many fans by kicking a free kick in the opening seconds of the game and taking them on from there. “Everywhere Avery” had a cracker. Connor Jones and Tristan Norling were solid all day and Brent DeVries’ debut saw him put a couple through the big sticks. Rumour has it that Lonner’s is booked into Specsavers at the goal umpires request!

Goals: D. Avery 2, D. Lynch 2, B. DeVries 2, 1 each to T. Cowie, W. Forelli, T. Norling, J. Wickham.

SENIORS:
DMB certainly came to play and with a form reversal from the previous week from us they should be congratulated on their pressure footy and on a very close game ending with a draw. Rory Elliott’s debut game was a classic and got him BOG.

Best: Rory Elliott, Rhett Thomson, Joel O’Connell, Dan O’Connell, Bailey McKimmie, Glen Nye.

Goals: Tyson Smith 2, 1 each to Kaine Parsons, Joel O’Connell, Dan O’Connell, Harry Forelli, Jake Maddock.

Still looking for a volunteer to take over the job of sending in notes for the Record and putting same in the Tallangatta Herald fortnightly please. Please see Leanne Wood for details.

CLUB FUNCTION

HYPNOTIST EVENING

Players, Members and public, on the 1st of June after we play Wahgunyah at home, the footballers have organised for club great Mat Shirley to put a hypnotist show on at the club rooms.

COUNCIL MEETINGS

The Tallangatta Herald was produced through the employment of local printer Daryl McDonald’s Pharmacy, and Ron McDonald (prop. Graeme Hobson) ceased to publish the old tallangatta gazette. This was to be called the ‘Herald’, not just in the delivery, but also in the supplementation of large metropolitan newspaper. Many complaints from the community were able to employ a newsletter (unknown to us) which was based in the old township Tallangatta since 1885, when the Law family were a very well respected family and Dr Phillip Law was a famous Antarctic achievement.

The Law family were of Tallangatta. The Law family were of pride for the team’s success, above recruitment of students, who is now a staff serving student, who is now a staff of local events.
