## Sunsets and sunrises shine in photo competition

Get involved in The Herald's photography competition, next theme 'events'!

**W**E are so excited to have received a number of entries in our Herald Photography Competition. We really appreciate everyone sharing their talent and amazing images with us. This week

we have some some stunning sunsets, or sunrises, to feature by the magnificent Turk, our own Jess Hynes, Renae Bell, Yvonne Fagan and Andrew Bussau. Just a reminder that even if a photo is not featured it will still be entered into our end of year competition, however we may not have had the space to fit all entries for the theme. We have also had to amend our rules slightly and now ask that only two photos are sent in per theme (or two photos each fortnight) from one person. We want to thank everyone for their interest and we are very excited to see what you come up with for next week's theme 'events'. We think the Tallangatta show and Mitta Muster would be the perfect places to capture some photos for this theme!

## Premier Announces Funding for Colac Colac Caravan Park

The Andrew's Labor Government today announced \$500,000 for the redevelopment of the Colac Colac Caravan Park, part of the new Bushfire Tourism and Business Fund.

Premier Daniel Andrews together with Minister for Emergency Services Lisa Neville, made a series of announcements today from the Buchan Caves, part of a wider focus to attract visitors and support local jobs in bushfire-affected areas.

Premier Andrews said "These projects will drive visitors to East Gippsland and North East Victoria – boosting business and supporting jobs."

Towong Shire Mayor David Wortmann welcomed the announcement saying "Colac Colac Caravan Park welcomes thousands of visitors every year, acting as a gateway to the Upper Murray and a major contributor to the local economy."

"The funding announced today will mean the planned minor upgrade as

part of the Council Plan can now be up scaled to transform and future-proof the Park. The redevelopment will increase accommodation capacity and enhance the unique natural features that Colac Colac is so well-known for."

"This will mean more tourists will visit the Upper Murray each year particularly at peak periods and during events, helping to fuel the local economy" Mayor Wortmann said.

Minister for Regional Development Jaclyn Symes said "These projects are the next step in helping locals, businesses and communities get back on their feet."

Colac Colac Caravan Park (pronounced "Clack Clack") is situated on the beautiful Nariel Creek, approximately 120km east of Albury/Wodonga and 450km north-east of Melbourne. The popular park provides a family-friendly haven for family visitors throughout the year.

# Additional funding for fire affected Towong Shire businesses

On Wednesday Towong Shire Council welcomed the Minister for Local Government the Hon. Adem Somyurek who announced a \$10,000 grant for Council to run a program of events to help fire affected businesses across Towong Shire. The welcomed support is in addition to funding already provided by the Andrews Labor Government.

Minister Somyurek met with Towong Shire Mayor Cr David Wortmann along with CEO Juliana Phelps, Cr Jennie Star, Cr Aaron Scales and representatives from local businesses. The minister confirmed the grant to support Business Victoria's Local Events program to provide dedicated seminars, training workshops and events to Towong Shire businesses in partnership with council and business chambers.

The additional funding follows \$2.2M already provided from the State Government to establish the Upper Murray Community Recovery Hub. A proposal for how the funding will be allocated to best support bushfire affected communities will be shared at the March Council meeting.

The meeting also provided an

opportunity to discuss the challenges that come with being Victoria's smallest rural council in managing recovery efforts across an area as vast as the Upper Murray bushfires which burnt 308,000 hectares, or 45% of the municipality.

Mayor Wortmann said the visit was just another example of the support Towong Shire Council has received from both State and Federal Governments in the wake of the bushfires.

"The funding allows us to work closely with fire affected communities to put strong foundations in place in the form of resource and plans to deliver a sustainable recovery in partnership with our communities."

"This latest grant allows us to narrow in on the needs of small businesses to give them the practical support they need" he said.

Louise Coulston

There will be Australian Champion Wood Chopping, Show Jumping, Ring Events, Sporting Horse Events, Poultry Exhibition, The Clydesdale demonstration, Children's Events eg: The apple bob and the 2 legged race etc., the pet parade, (bring along your pet and enter it in the pet parade (note all pets must be on a lead.)

Don't forget the Miss Show Girl and Master Show Boy.

Make sure you get down to the bottom arena where the Stockman's Challenge and the Arena Sorting will be taking place. Many hours of training goes into preparing horses for these events and they are very exciting to watch.

This year we have the Classic Cars and the Clydesdale Horses they will be down

the street Friday and Saturday morning so look out for them.

We will also have a great range of exhibits in the pavilion. If you have never entered anything in the show before, have a go, it is fun and people enjoy seeing what other people can do.

Also this year we have an exhibition of "The Days of the Draught Horse" or "The Days that Were". If you have something in your shed from the "Days that Were" bring it along for display in our exhibition.

Some of these things our children have never seen and it gives them some insight as to what their great grandparents had to use compared to the machinery they use today.

Bring along your family and support our show.

Seven of Towong Shire's residents are now able to officially call Australia home, following the Council's citizenship ceremony on Tuesday.

The citizens who come from the Philippines, South Africa, Slovenia and the UK have made their new home in Towong Shire towns of Corryong, Tallangatta Valley, Old Tallangatta and Bethanga.

Mayor Cr David Wortmann said the ceremony is a special milestone as they formally become Australian citizens.

"It is an honor to welcome our newest Australians from a number of diverse backgrounds who now call Towong Shire home."

"Many of the citizens have already called Australia and Towong Shire home for years and are already valuable community members. Today's ceremony simply formalises their commitment to Australia" he said.

The citizens were joined at the ceremony by their support networks including family members, friends, colleagues and fellow students.

Towong Shire Council hold Citizenship Ceremonies throughout the year. Residents wishing to become an Australian Citizen can find out more by emailing [info@towong.vic.gov.au](mailto:info@towong.vic.gov.au) or calling 02 60715 100.

# Tallangatta Primary School Swimming Carnival

Scott Walker

WELL, we didn't think it would happen, but the weather held out on Friday 14th for the 2020 TPS Swimming Carnival! The pool was surrounded by a sea of gold, red and green, as students made the pilgrimage down to the pool to not only earn points in the pool, but also cheer their lungs out on the side lines. It was fantastic to see the way in which our students tackled the day. We had students powering down the pool, motivated to beat their personal best and students who were willing to get in and give it a go even though their technique wasn't quite right, just to get points for their team! Our House Captains and Vice Captains did a brilliant

job at stepping up and being leaders in our school, not only being role models themselves but carefully considering how they could include everyone in their team.

It was wonderful to see that students embraced the spirit of friendly competition and that final placings mattered less than the encouragement received from peers, families and staff. Students loudly cheered for their classmates regardless of their team and rallied around those who needed the extra support. The ear to ear smiles made their achievements all the more memorable!

Thank you to all of our helpers on the day - to our swimming instructors Chris and Justin for helping out all day, to our lifeguards Jonty and Emma, all the parents and friends who stepped up to help out with the timing of events, and everyone who came on the day to support the students.

The day culminated in the hotly contested student v teacher v parent race. It was a tight competition this year with 3 student teams versus the reigning champions of the past few years (the parents), and the teacher team's year to shine, storming home for a tight win against the parents! No need to mention the extra recruits the teacher's recruited during the 2 weeks leading up to the event.

Congratulations does need to go to the following students who took home the following awards from the day:

- 9/10 Girls Runner Up: Maeve B
- 9/10 Girls Champion: Gracie B
- 9/10 Boys Runner Up: Bradley R
- 9/10 Boys Champion: Riley M
- 11 Girls Runner Up: Stevie B
- 11 Girls Champion: Jordan C
- 11 Boys Runner Up: Harrison B
- 11 Boys Champion: Zak M
- 12/13 Girls Runner Up: Mackenzie L
- 12/13 Girls Champion: Ally S
- 12/13 Boys Runner Up: Angus P

12/13 Boys Champion: Murray M  
 OPEN Girls Runner Up: Mackenzie L  
 OPEN Boys Runner Up: Murray M  
 OPEN Girls Champion: Ally S  
 OPEN Boys Champion: Zak M

**HOUSE POINTS RESULTS**

- 1st GREEN: 504 points

- 3rd GOLD: 404 points

We are delighted to announce that we had 13 students qualify for the Regional Swimming Carnival which is being held on Friday 28th of February. We would like to wish the following students all the very best at that event: Bella A, Harrison B, Sophie B, Maeve B, Gracie B, Charli K, Rory K, Mackenzie L, Grace M, Riley M, Zak M, Ally S, James W.

# T.C.M. Cricket Report

Manny Chessari  
**A GRADE**

The game against Raiders saw Tallangatta bowl Raiders out for 118. 3 wickets each went to Mat Armstrong and Fraser Ellis, whilst Mat Oswell and Sahib Malhotra took 2 each. The run chase started well enough with the consistent Ollie Willett making 26 before a mini slump saw Tallangatta struggling at 4 for 57, but the consistent Sahib Malhotra(52 not out) saw Tallangatta comfortably home at 5 for 121.

The game against Albury promised to be one of the games of the season, but Tallangatta faltered a little with the bat. After a promising start at 2 for 90, the dismissal of Grant Chessari(30) saw a catastrophic collapse with Tallangatta teetering at 9 for 145. The one constant was again Sahib Malhotra, who eventually found an ally in Ryan Bartel at no 11 who hung around for 2 runs whilst Sahib(89 not out) smashed more than 40 at the other end to give Tallangatta a glimmer of hope at 9 for 185. For Tallangatta to win the game they needed to dismiss the classy Zimbabwean import Innocent Kaia cheaply, but he had different ideas producing a near chanceless innings of 114 not out, and received a standing ovation from both teams as he guided Albury to 4 for 186 and comfortable victory.

This means A Grade finished 6th and will face Wodonga in a cut throat Semi.

**B GRADE**

The raiders game saw Tallangatta bat first and struggle a little with the bat with the consistent Greg McGilvray guiding the team to 9 for 144. In the field, a Lachie Paton (5 for 22) led rout saw Raiders dismissed for 85. Patrick Clark also snared 3 wickets.

The Albury game saw Tallangatta sent in on a tricky wicket, but an opening stand of 48 of which Nic Paton made 30 gave

Tallangatta the chance of a good score. However a collapse of sorts saw Tallangatta slump to 4 for 68, before a 40 run partnership between Dean Simmons(42) and Lachie Paton(22) restored some order and allowed Tallangatta to limp to 151. The bowling attack of Tallangatta then highlighted how difficult the wicket was, as they shredded the Albury batting line-up and dismissed them for 91. Lachie Paton dominated again with 4 for 16 with Julian Butters equally effective with 3 for 12.

The Bs have finished third and will face Lavington at home on Saturday

**C GRADE**

The C Grade semi saw a nail biter with Tallangatta dismissing Corowa for 111 with Scott Worley the destroyer with 4 for 19. What should have been a comfortable run chase saw Tallangatta teetering at 8 for 109, and then 8 for 111 before they lost both wickets for no further runs to leave an apparent tie. Tallangatta would have gone through because they finished higher on the ladder, but a scorebook check determined that Tallangatta had won by 2 runs. A huge 32 under pressure from Jack Grigg helped steer the team home. C's are now down to the last 4 and they should face North Albury Gold in a knockout game

# Tallangatta Bowls Report

Pennant season has come to an end. With one round remaining the club needed a win against Kiewa at Kiewa and hope other results go our way. Kiewa are a very hard team to beat at home but somehow Club managed to get over the line, but with Dederang and Corryong A1 having a draw we managed to make the finals. Unfortunately Corryong 1 was to good for us.

Community bowls sponsored by WAW

has commenced. Leading at the minute is the Queens side - Forry, Phil, Gaz and Tracy. This year the format is triples. We are short on sides so if you are interested we commence bowling 7.30pm Fridays.

Club pairs and B grade Championships are being played at the minute. Pairs are down to the final with Yari & Forry playing Michelle & Rowdy. Plenty of tournaments still going on around the area. Victoria Hotel played on the 1st march - results next issue.

## Screening of 2040 Film

ON the 25th February, as part of Tallangatta Health Services leadership goal in the Global Green Healthy Hospitals, we worked alongside Tallangatta Neighbourhood House, Tallangatta Secondary College, and DELWP Hume to broadcast the acclaimed movie '2040' at both Tallangatta Secondary College and the Tallangatta Community Centre. This movie looks at what 2040 could be if we simply implemented strategies that we have already invented to reduce carbon emissions and create a healthier and more sustainable planet.

The Secondary College saw the film broadcast to all year 10 students, after which they partook in an activity to explain where they would like to see Tallangatta at in 2040, this discussion was led by the DELWP Hume representatives Louise Marston and Kristy Roche who will utilise this information to be included in their regional study and research papers on Regional Climate Change Adaptation Plan.

Later in the day saw the screening at the local Community Centre with 23 locals in attendance. At the conclusion of this screening, three speakers discussed topics relevant to the area.

First was John Parry, representing Totally Sustainable Tallangatta Community Group, who discussed the exciting prospect of Tallangatta developing an Urban Farm Community Garden. Requests are being sought for some leaders to be part of this initiative.

Secondly, we heard from Matt Jones from Totally Renewable Yackandandah, who discussed the solar initiative that is underway there including microgrids, and the commencement of the local power supplier Indigo Power as a part of this project.

Finally, Denise Parry (CEO of Tallangatta Health Service) talked about the involvement of Tallangatta Health Service in the Global Green Healthy Hospitals initiative which has ten goals.

Above: Denise Parry presents at 2040

Above: Workshop following 2040 film

Above: Discussion following 2040 screening

Tallangatta Health Service has chosen in the first year the goal of Leadership and Energy. Being at this event is a part of this Leadership goal. Denise Parry challenged participants to ask what their personal connection to environmental sustainability is, and the next step they could take. As a part of our goal of energy we are installing a 99kW solar system on the hospital roof in March/April.

The afternoon wrapped up with the locals answering a few questions around what changes have been observed locally due to climate changes, what actions are they currently doing to be part of change, and who is local to discuss initiatives with and what is currently in play. Louise and Kristy from DELWP will collate this

information and will provide it back to the community over the next few months. This information will also be part of their ongoing research for the local area.

We would like to thank Lou Newman from Tallangatta Neighbourhood House for coordinating the application and screening opportunity of this film, and also thank DELWP Hume for facilitating the screening, through financing the licencing costs of screening the film, and leading the discussions around this very important topic.

If you missed out on the opportunity to view this film, but would still like to see it, there is plans for another screening at the neighbourhood House in April, date to be confirmed.

Kiewa Memorial Park, situated on the main road in Kiewa and opposite the Kiewa General Store, is another wonderful asset for the Kiewa/Tangambalanga community. The Park is home to the Kiewa Cricket and Tennis Clubs and has playground and BBQ facilities for locals and tourists alike. The beautifully shaded area is the perfect environment to hold such events as the Australia Day celebrations and the Indigo Mini Music Festival. The Park is on Crown Land and requires a Committee of Management under the Department of Land, Water and Planning (DWELP). This Committee oversees the Park generally and receives running costs from Indigo Shire and user groups. Opportunities for additional improvements in the park are

ongoing – currently there are proposals for a new cricket pavilion and the tennis club has recently improved safety at the courts. The annual Committee meeting is coming up this month and the Committee is looking for

'new blood' to join and continue to maintain this wonderful asset. For further information please see the accompanying advertisement stating time and venue for the upcoming meeting.

## Community News

### Tangambalanga Club Connection

Club Connection is a group of people who get together to maintain their independence and social connections and have lots of fun along the way. Members have access to varied activities in our region as well as remaining connected within the community. Club Connection is about what you would like to do, go and see and activities you would like to get involved in. Members get together and are encouraged to help plan the program. Recent activities have included guest speakers, local entertainers, in-house activities, outings to shows and lots of places of interest and great locations and an overnight trip to the Melbourne Garden Show; all visited with good company.

Subsidised by the Commonwealth and Victorian governments, this group is a great opportunity to make new friends and reacquaint with old friends. Operating Tuesdays and Fridays, all are welcome. Also, twice a month on a Thursday, a special outing is scheduled.

Please make any enquires to Beechworth Health Service and ask for the Intake Officer on 0357280200.

### Garage Sale

Kiewa and Tangambalanga are having a garage sale on SUNDAY 22nd March 2020. In previous years, this event has been held on a Saturday, but after feedback from the community, Sunday is being trialled this year. This way families who have sport on Saturday will still be able to participate in the day.

Town garage sales are the best way to have a garage sale; there have been over 200 buyers come through every year that this event has been run. Traditionally buyers are not so keen to travel far to go to a garage sale outside of Albury Wodonga, but it is a whole different story when they know there are 20 plus houses selling their treasures.

If you would like to have a garage sale at your home or have a table at the Community Garden site, the cost is only \$15. So, what do you get for your money? You receive a laminated 'Garage Sale' sign for your wheelie bin, some balloons to attach to your wheelie bin to create attention, an advert in the Border Mail on the Saturday and your property marked on a detailed map so participants

can easily find your home.

At the Community Garden site, there will be a huge seedling sale, Woodfire Desire Pizzas and House of Richard Coffee keeping everyone topped up with great food and drinks and households having tables of goodies to sell.

Map sales will be \$2 at the site of the Community Garden, with all proceeds going directly back to our town's community groups.

If you would like to book your spot, please get in quick and call Samantha on 0412955552.

## Hume Weir Cycle Classic

On Saturday 22nd February, students and staff from Kiewa Valley Primary School had the pleasure of helping out at a refreshment stop on the 80km Hume Weir Cycle Classic bike ride. Riders left Wodonga about 7.30am

and started rolling into Coulston Park at around 8.15am. Newly elected S.R.C students from Kiewa Valley Primary School helped with directional signs by the road side and with the selection of foods available.

All the cyclists were very appreciative of the water, lollies, nut mixes, fruit cake, watermelon and rice cakes that were available at the stop.

Ella, Issy and Mrs Bowman, await the riders at the refreshment tables.

Will, Ned and Archie show the riders where to go for refreshments.

# Police Chat

Many of you have mentioned that you haven't really seen me around lately. So where have I been and what have I been doing? I spent the first few weeks of 2020 at the Tallangatta and Wodonga ICC's - Incident Control Centres. This is where representatives from all the different agencies involved in an emergency event set up. For the devastating bushfires throughout North East Victoria, including the Walwa, Cudgewa and Corryong areas, this included Police, CFA, Parks Victoria, Shire representatives, Army, Ambulance and medical representatives, Agriculture Victoria and a heap of logistical assistance and support people. Being located in the same place allows all the services to get the same information at the same time to ensure a cohesive response.

It doesn't have to be hard work! My family have been having a wonderful time travelling around to local areas for lunch, dinner and day trips. The areas that need our help are on our door step. Turn off the technology and spend some quality time with your family and friends - and help a local.

If you, or someone you know, looks like they're struggling please have a chat. Talk with your colleagues - they know what you've been through. Talk to your family - they see you're doing it tough. Talk with your friends - they can help you get through this. If you need to speak with a professional - talk to your Doctor. They will put you in touch with the right people. You don't have to go through this alone.

Whilst the fires are out there is still a long way to go to recovery. We can all help, and

Stay safe, **LSC Lisa Lorenz**

# George Briscoe Kerferd Oration 2020

Former independent Member for Indi, academic and rural consultant, Cathy McGowan AO, will deliver the 2020 George Briscoe Kerferd Oration in July in Beechworth.

Oration Chair, Karenne Thistleton, said she was delighted that Ms McGowan had agreed to deliver the Oration.

"In 2006, Cathy delivered a very successful Oration which showed that communities could enrich their communities through strong community engagement and participation. In 2020, she will consider 'the Australia we want', with a focus on the engagement of young people across Indigo Shire in the lead up to the Oration".

Ms Thistleton said the organising committee will engage a project officer for three months in the lead up to the Oration, to develop a participatory governance model through which young people can actively engage in decision making about the things which matter to them most.

Expressions of interest for the project position are currently being received. Anyone interested in the position should contact Karenne Thistleton by email at kerferd.oration@gmail.com or by telephone on 0490 013 921 by COB Tuesday, 25

February 2020.

Kerferd Oration The George Briscoe Kerferd Oration was first held in 2003 to commemorate the 150th anniversary of the naming of Beechworth. The annual Oration is a free community event sponsored by Indigo Shire Council, La Trobe University, WAW Credit Union and Quercus Beechworth.

The 2020 Kerferd Oration will be held on Sunday 26 July, 11.00am at The George Kerferd Hotel, Mayday Hills, Beechworth.

VIP seats at Junction Oval

Welcome to the penultimate report from the "Cranky Curator" for season 2019/20.

We have had a great season to date, with finals about to start. At the end of the home & away season A Grade finished 6th, B Grade 4th, C Grade missed out on finals, Under 14s and Under 12s finished on top. So, yet again, a highly successful year for our club.

Our captain, Josh Bartel, had a good afternoon with the ball recently, taking 4 wickets in 5 balls including a hat-trick - 2 wickets off the last 2 balls of the over, followed by 1 off the first ball of his next over!

As we go to press, our venture into finals is about to begin - good luck to all participating.

On a club note, Saturday 22nd was our Last Ticket Standing draw and a good crowd watched as Georgia Morris took out the first prize, while Mark & Dawn Cardwell came second.

Recently our Woolies Blaster Juniors were

given the opportunity to attend the Women's Twenty 20 match between Australia and England which also took in the Allstars charity match at Junction Oval St Kilda. They were given VIP treatment, sitting in bean bags beside the oval boundary and getting plenty of celebrity signatures on their hats and shirts. If anyone happened to be watching the event on television that day, they may have witnessed Miss Sue, dropping a catch in the crowd!

## Hot Shots Bowls

How successful is Kiewa Valley Bowling Club!! In the 60's and over Men's Pairs Colin Coulston and Ron Keane recently found success. Our Ladies, not to be denied, were successful in winning the women's State Fours and will represent Ovens and Murray at Champions week in April. Congratulations Jude Bartel(S), Carol Fair, Heather Schliebs, and Margaret Bates on a fine effort.

## Tangam TENNIS Talk

As we get to the pointy end of the season, our Section 1 team has again pushed through to the Grand Final. A hard-fought win against Granya in the semis set them up for a grand final berth against Yackandandah. A great team effort by all, but a particular mention to our "young guns", Cooper Lambden and Kel Peters, who both put in a mighty effort and showed no sign of nerves in the semi-final. A full report of the grand final and photos will appear in the next issue of the Gazette.

In Section 2, Tangam Brown just missed out on playing finals by the barest of margins - actually if they had won just one more set during the season they would probably have got in! But a great effort by all - look out next year as they will be even more hungry to play finals.

Our Juniors finished off their season with a pool party at Tangam pool. What an awesome lot of kids we have in our junior

teams - thanks for your efforts throughout the season. We may not have won too many matches but we had a lot of fun - and every single one of them has improved their tennis. Thanks go to Jack, Luke, Chelsea and the two Tanyas for your help on training nights. We hope to see everyone back again next season.

Throughout February we have been trialling a Fast Four format for our social night comp and this has been quite successful. We have only had 5 teams participating, however the fast-paced, short format has been embraced by all and has been a lot of fun. By the end of the comp, everyone was remembering to hit the lets and when to best use the "powerplay".

## Kiewa Tennis Club News

It was a warm morning of tennis to finish the season, perfect timing for a club breakup at the Tangambalanga pool afterwards. Most of the Section 3 and 4 players enjoyed a swim and a BBQ lunch, along with their parents. A big thank you to Jo for organising the event and to Ash for cooking the BBQ.

Kiewa has had a very successful tennis season for 2019/ 2020. In Section 3, Kiewa finished 2nd on the ladder. This is a great achievement, considering we weren't able to field a team in this section last year.

In Section 4, Kiewa Blue finished 3rd, Kiewa Green 5th and Kiewa Red 6th on the ladder. We had a lot of new players join us in this section who had never played competition tennis before, so this is an excellent result. The enthusiasm from all the kids at training and during the games, has been great.

Good luck to all teams playing in the finals in the next two weeks.
