

Big Enough To Deliver, Small Enough To Care.

BEFORE AND AFTER SCHOOL SUPERVISION

Staff supervision for students arriving before school is between 8.30am and 9.00am and for students after school between 3.20pm and 3.40pm.

At Tallangatta Secondary College, students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Students who choose to bring a mobile phone to school must have them switched off and securely stored during school hours.

Principal's Report

Parent Support

The last four weeks have been an extremely busy, but important time in the College. Many student activities and programs have taken place, including Year 7 camp, Unit 1 examinations, Future Makers Information evening, Winter Concert, Youth CFA, Cross County and Student Led Conferences. I have been proud of the way our students have conducted themselves throughout these weeks and thank our teachers and Education Support staff for their extra effort, time, and support. I would like to thank our parents for your support and positive feedback. This gives us the confidence and motivation to continue providing these programs and opportunities for our students.

Professional Learning Day

I support and appreciate the decision by DET to hold each teacher's allocated professional practice day for term 2, on the same day for all staff and as a student free day. On Tuesday, teachers spent the day in Learning Areas collaboratively reviewing and developing their

Scope and Sequences, Unit Backward Maps, Formative & Summative Assessments, and Lesson plans in preparation for Semester 2.

Mobile Phone Policy

Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Students who choose to bring mobile phones to school must have them switched off and securely stored in their locker or provided storage in the engagement office during school hours. Exceptions to this policy may be applied if certain conditions are met (see policy for further information).

Students who use their personal mobile phones or other personal mobile device inappropriately at Tallangatta Secondary College will be instructed to relinquish the phone immediately, in which it will be stored in the front office for parents / carers to collect. Students who refuse to relinquish their phone to school staff when asked

TOGETHER WE MUST

Wear a face mask on buses

Social distance where practical

Practise good hand hygiene

Stay home if unwell

RAT kits available from the front office. Student and / or parent welcome to collect.

Tallangatta Secondary College is committed to empowering all to become resilient and confident lifelong learners with a strong sense of self and community.

will be issued with consequences consistent with our school's existing Student Engagement Policy.

Homework

Homework is tasks assigned to students by teachers that are meant to be carried out during non-school hours. At Tallangatta Secondary College all homework set by teachers will be:

- purposeful
- curriculum-aligned
- appropriate to students' skill level and age
- designed to help students develop as independent learners
- monitored by the teacher
- where appropriate, provide opportunities for parents/ carers to partner in their child's learning
- designed to assist student to retain and practice their learning of the key knowledge and skills

The types of homework that teachers at Tallangatta Secondary College will include are:

- reading English texts prior to class discussion
- reading for pleasure
- researching topics associated with set class work
- reviewing the key knowledge and skills learnt in class
- practice using the command words students will encounter when interpreting questions
- reviewing Cornell Notes.
- revising/preparing for tests / SACS / Exams
- emulating SAC/exam/test conditions when completing a task at home
- viewing and completing set tasks on Edrolo (VCE)
- engaging with parents in learning activities such as: rehearsing a presentation with parent/carers, and seeking their feedback

interviewing a family member as part of a research project. Homework is a shared responsibility between the school, teachers, students, and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities. There are weekly lunch time help sessions available for students to access, along with Monday afternoons study hall 3.30pm in the SSC.

MUSIC

"I think everything in life is art. What you do. How you dress. The way you love someone, and how you talk. Your smile and your personality. What you believe in, and all your dreams. The way you drink your tea. How

you decorate your home. Or party. Your grocery list. The food you make. How your writing looks. And the way you feel. Life is art.” — Helena Bonham Carter

First and foremost I would like to thank our wonderful musicians for their efforts leading up to, and during the winter concert. It was a joy to witness your musical growth this term, as well as the growth you have all made as a musical team- you are all so very supportive of each other.

The concert too, would not have happened without the support of community members, parents/ guardians and teachers- I am very grateful for your efforts.

As we move forward, lessons will continue as scheduled in week nine, with some minor alterations due to sport.

As with every sign off, I would like to express my gratitude to our musicians.

For the resilience and positivity you show in lessons, to the weird and wonderful sounds I hear in the practice rooms at lunchtimes and breaks. I am sure that all our musicians too, can appreciate the PAC as a safe learning and performance space, thank you for bring the place to life with your music.

In great music and with gratitude and kindness as always,

Rhys McKee

A little about us: (37ACU - 2022 Community Organisation of the Year)

- The Australian Army Cadets is a national youth development program sponsored by the Australian Army. Locally the Army Logistic Training Centre supports 37 ACU to ensure they benefit from a military-like experience.

- Army Cadets welcome young people of all backgrounds and abilities, and they are provided with excellent opportunities to develop individual self-esteem, leadership, initiative, and problem solving skills in a safe, challenging and fun environment.

- Our Cadets are encouraged to embrace the values learned in the Australian Army Cadets and apply them to their everyday lives in order to be better citizens. The Cadets core values are: Service, Courage, Respect, Integrity and Excellence. These values embody what we expect of ourselves and of each other.

- 37 ACU has a dedicated group of about six staff supporting this program weekly during the school terms, on weekend camps, supporting local events like relay

For Life, significant days like Anzac Day and annual camps. They work very hard and are supported by a fine group of senior cadets providing training, leadership, discipline, guidance and mentorship to other cadets.

Health

Food support available

We are all aware food is vital for us to survive and also to thrive. Healthy food feeds our bellies but also our brains. Our youth are developing and growing rapidly and nutritional food is a big part of the puzzle for them to thrive and do well and keep them healthy and well.

Through Foodbank Victoria, and also the Albury Wodonga regional foodshare Tallangatta secondary college (TSC) have the opportunity to provide free food hampers to ALL TSC families at ANY time. If you would like a food hamper please be in contact with TSC school nurse to arrange. Foodbank can deliver food to our school twice a term, however we can also arrange extra and other foods through Albury Wodonga regional foodshare. Collection times will be communicated by phone and pick up will be from the front office. Feel free to look into their websites- Foodshare is food from the community for the community. <https://foodshare.org.au/>

Foodbank supports programs that give students the opportunity to eat a wholesome, nutritious breakfast on a regular basis. Having breakfast has been shown to have a positive impact on factors such as physical and mental health, social skills, concentration, behaviour, attendance and academic outcomes.

What is MND?

Motor Neurone Disease (MND) is the name given to a group of diseases in which the nerve cells (neurones) controlling the muscles that enable us to move around, speak, swallow and breathe, fail to work normally and eventually die. With no nerves to activate them, the muscles gradually weaken and waste to the point of paralysis and death. There's also no cure for MND.

All money raised on the day will be donated to
