Indonesian Cultural Performance

Last Friday, our LOTE teacher 'Ibu' organised a visit from an Indonesian Dancer who brought with her a taste of Indonesia's rich cultural heritage. The event occurred during lunchtime and was attended by all Year 7 and 8 students.

The Indonesian dancer performed a number of cultural dances. She even picked a few brave people to come up and give it a try. Macca, one of the students, gave it his best shot, but let's just say he was in need of some practise. Dancing Indonesian style might not be his hidden talent, but he sure gave it his all!

To sweeten the deal, there were lollies provided for everyone. We got a taste of Indonesian culture, discovering just how important dance is in their traditions.

The dancer was dressed in the most stunning traditional attire, which added a touch of authentic charm to the performance. She also shared some fascinating insights about Indonesia's rich culture and arts.

But the highlight of the event was the music! It was interesting, upbeat, and had everyone engaged. It was a fantastic way to broaden our horizons about Indonesian culture!
